A shared vision

Corporate Supporter Programme

Join forces with Age UK Peterborough to make a measurable difference

Who we are

Age UK Peterborough is a local charity working with and for older people in the Peterborough area.

Why support us?

Here are just a few reasons:

Something we can all relate to

Older age impacts us all – by supporting relatives as they age or by growing older. Our cause will always be relevant and far-reaching.

A local focus

You can directly help some of our most vulnerable local residents.

A flexible partnership

There are many ways we could work together – long-term or short-term.

A well-known charity brand

Age UK Peterborough is a brand partner of the national Age UK charity, a highly recognisable and trusted brand.

Services needing support

Among our many services, two have a particularly high demand.

Welfare benefit advice

Many local older residents are faced with a choice of eating or heating and often cannot do either satisfactorily.

Last year, we helped local people claim over £800,000 of benefits, helping them afford the essentials. You can help us reach many more.

Befriending

We can match more isolated and housebound local residents with a Befriending volunteer, providing much needed company. This service requires more volunteers and funding to cover their expenses.

Age UK Peterborough's corporate partnerships are collaborative and beneficial for everyone.

Don't just take our word

Corporate supporters are essential for us to deliver our work, and we are very grateful for their support.

Safe Local Trades

Since 2009, Safe Local Trades has helped raise more than £12,000 by organising and promoting fundraising events and promoting the charity to customers.

Taylor Rose Law

Taylor Rose Law chose Age UK Peterborough as Charity of the Year for 2012 and 2013. They held fundraising events and gave a donation to join the Corporate Supporter Programme.

Diligenta

Since 2012 Diligenta have helped Age UK Peterborough reduce poverty and isolation for local older people. The partnering of two credible, strong organisations really makes a difference to later lives in Peterborough.

Other services we provide

- Practical support in and around the home, including a gardening service.
- Local events, clubs and activities.
- Products and Services for over 50s.
